## CIRC Website Advertising

The CIRC website is a great place to get logo recognition and exposure to your website through information and a hyperlink from our website to yours. We get a large amount of traffic for our monthly events and continuing education registration, use of the Member Search Directory, access to member Links and other information included on our site.

**Platinum sponsors'** logos are shown on a banner on the right side of each web page and cost \$600 annually (renewable for \$500).

**Gold sponsors'** logos are shown on a revolving banner on the left side below the menu on each web page and cost \$300 annually (renewable for \$250).

**Special offers** each year are included in the spring with our Platinum and Gold level Golf Sponsorships. Web Sponsors, however, are also sold individually without the golf sponsorship included.

We can bring in new sponsorships at any time, as space is available. The one year term runs on a revolving 12-month term. If you choose not to renew, the space will be opened to be filled by the CIRC membership.

**To add your sponsorship or make changes when renewing:** Please send your changes (minimum 300 dpi logos as JPEG or EPS) and any text to [janet@circdelaware.org](mailto:janet@circdelaware.org).
